

VI 包装意向案

VI PACKAGING INTENTION

— 沃顿国际教育机构升级方案 —

我们的目的

国际教育机构，要有国际感、品质感。

这会给家长和学生一个良好的第一印象，

并且提高学校的美誉度，形成良性循环。

International educational institutions should have a sense of internationalism and quality.

This will give parents and students a good first impression,

And improve the reputation of the school, forming a virtuous circle.

玩起来！

好的环境打造需要给人轻松自然感，

摒弃繁杂，

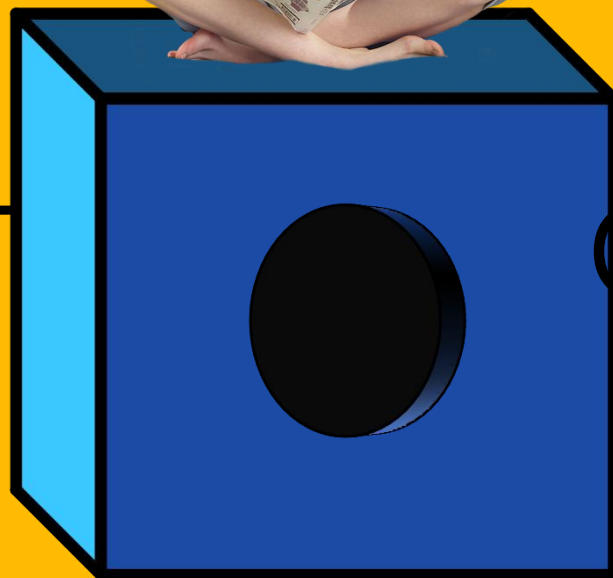

舍弃拼凑，

你需要一套有质感、大气、国际化的，有体系的方案
